

To all the faithful of the Archdiocese of
St Andrews & Edinburgh

Edinburgh, 14 August 2021

Dear friends,

St Mary's University will open its campus at the Gillis Centre in Edinburgh this October.

With deadlines for registration fast approaching, I want to give you a final word of encouragement to consider joining others who have already registered for a course. There are a variety available, all part-time and flexible, so you can study in the evenings or at weekends.

The MA in Applied Catholic Theology is for those of you who wish to grow in the love and knowledge of the Catholic Faith.

I warmly encourage teachers to consider a range of MA Education courses as part of their continuing professional development. These are *Catholic School Leadership; Leading Innovation and Change; Pedagogy; and Religious Education*.

St Mary's University is a beacon of excellence in Catholic education and is widely recognised as one of the best providers of teacher training in the country. You can watch testimonies from current and former students on the Archdiocesan YouTube channel and website.

To find out more please visit the St Mary's website, details of which you will find in your parish newsletter.

Yours sincerely in Christ,

+Leo Cushley
Archbishop of St Andrews & Edinburgh
