**Dear Friends,** Jesus reminds us today that we have great potentials to grow and become fruitful. God's divine power gives us everything that we need for life and godliness through the knowledge of Him who created us. While the word of God and the graces that we receive through the sacraments and the good deed we do have the power to make us grow, we have the responsibility of making sure that we sow the seed. There is no age at which we cannot grow in god's grace. We are called to always remember that life is but a passing shadow and that the few years given to us here on earth are for soul-making and growing to the glory of God and a better humanity.

**PARISH UPDATES. Mass Booking;** We are reminded that the booking of mass for our special intentions, wedding anniversaries, Birthday thanksgiving, Death anniversaries of our loved ones and general prayers is highly recommended.
